DOCKETING DEPARTMENT

NOTICE OF FILING

DOCKET NO. 2005-35-W/S

Haig Point Utility Company, Inc. ("HPU") has petitioned the Public Service Commission of South Carolina ("Commission") for expansion of its service area and approval of a contract between HPU and Widewater Dunes Limited Partnership ("Widewater"). According to the Petition, HPU is a public utility, currently providing water and sewer services to property owners within a development known as Haig Point Plantation under the Commission's Order approving establishment of service area and rates and charges dated May 24, 1988, Order No. 88-522 ("Order").

The service area approved by the Commission in the Order, according to the Petition, excluded an acreage tract adjoining the service area that is bounded on three sides by HPU's service area. This acreage tract is titled on the map submitted with the original application as "Out Parcel." The acreage tract in question is titled "Cedar Cove."

The Petition indicates that the Cedar Cove acreage tract is not in the service area of any other public utility. Widewater is the current owner of the acreage tract. Widewater and HPU negotiated for the provision of water and sewer service to the acreage tract. Widewater intends to subdivide and develop the acreage tract. On or about June 3, 2002, HPU and Widewater entered an agreement for water and sewer service for the acreage tract. The Petition asserts that the expansion of the service area of HPU to include the acreage tract would not in any way burden the existing rate payers of HPU.

A copy of the Company's Application can be obtained from the Commission at the following address: Public Service Commission of South Carolina, Docketing Department, P.O. Drawer 11649, Columbia, South Carolina 29211; and is available from G. Trenholm Walker, Esquire, Pratt-Thomas, Epting & Walker, P.A., Post Office Drawer 22247, Charleston, SC 29413-2247.
